**Residential
Experience**

Our Community Values

Welcome!

It is everyone's responsibility to help create a safe and positive **residential experience**. This includes simple steps like making sure you're not too noisy and avoid unnecessary fire alarm activations by following the Fire Safety Guidance. Fire detectors in corridors, bedrooms and kitchens are all different; some react to heat, others to smoke; so keep fire doors closed to prevent unnecessary alarm activations.

Make the most of opportunities at University. Broaden your **education** and develop **skills** by getting involved in our exciting programme of events, activities, and personal development initiatives. Visit www.residencelife.co.uk for more information.

Living in University Accommodation is a great opportunity to develop new friendships and have new experiences, but it is not always easy. Have the courage to seek support when you need it and remember to look after your own wellbeing. That includes developing healthy relationships with those around you and leading a **healthy lifestyle**.

The University of Sheffield values the diversity of its community. It is everyone's **social responsibility** to respect cultural differences, treating others with dignity and respect, opposing discrimination and challenging hate in all its forms. Our Residences are an inclusive space for everyone regardless of background, identity or belief. Read about your responsibilities in 'Our Commitment' at www.sheffield.ac.uk/ssid/ourcommitment and the University's Code of Conduct at www.sheffield.ac.uk/sss/student-code-of-conduct

My conduct will reflect **'Our Community Values'** and I understand my commitments under this agreement (sign here):

Community Living Agreement

- If you're having a party, respect your flatmates and neighbouring flats and remember you are responsible for your guests' behaviour.
- Respect your neighbours and keep quiet when walking around the Residences at all times, day and night. Remember it is quiet time 11pm - 7am, and 24 hours per day during exams.
- Keep communal spaces clean and tidy, keep on top of the washing up.
- It's your collective responsibility as a flat to empty the bins, think of the environment: use the recycling facilities bins provided.
- If you damage something, (deliberately or accidentally) it's always best to tell us. If nobody owns up to causing the damage in a communal area you'll all have to pay a share of the cost.

Full Address (House/block/flat):

Buying and using products (washing up liquid, oven cleaner, sponges, tea towels) and putting things away

Communal Cleaning (bin rota, washing up, cleaning surfaces etc.)

Boundaries for food, cooking equipment, crockery (shared or hands off, dietary/religious requirements etc.)
